

**G R A C E**

**Jesus - full of GRACE  
GRACE poured out  
GRACE available to me**

# L i g h t

A lighthouse on the left side of the frame emits a powerful beam of light that illuminates the Milky Way galaxy, which stretches across the dark, star-filled sky from the center towards the right. The lighthouse is a tall, cylindrical structure with a lantern room at the top. The beam of light is bright and focused, creating a clear path through the vastness of space.

LIGHT shines in darkness  
LIGHT never extinguished  
LIGHT for all of LIFE
